3. _____

3. Are there any specific topics or curriculum you would like tied into programming? Please note, we will do our best to accommodate within what is relevant to your chosen programs. (eg. A focus on trees within the 'All things Green' Program)

4. Are there any student behaviour issues that our Staff should know about? We don't need to know individual student behaviours. Just anything to be aware of that will help us prepare and manage the day.

5. a. Do you have any students who require special accommodations or have mobility issues?

b. Do any of your students have scheduled medical needs (ie. A nurse/teacher/staff would need to give them medication/treatment at a specific time)? If so please let us know the timing, so that we can make sure to adapt our schedule.

c. Are there any other scheduled items we should be aware of? (ie. Students arriving late, teachers switching during the day) If so please let us know the timing so we can adapt the schedule accordingly.
