Signature: _____

Date: _____

For office use only: Date Contract & Deposit Received: _____

RATES & BILLING PROCEDURES

★ Please read all information carefully before returning your contract ★

- **Deposit:**

A non-refundable, non-transferable deposit (50% of rental fee) is required to secure a booking. A group's booking will not be secured unless the deposit **and** booking contract have been received. Please call the main office in Lakefield if you have any questions or concerns.

- **Catering:**

Renters may bring their own food or arrange for catering with a third party contractor.

(Contact our office for a list of suggestions and see nut-free note below)

The Camp Kawartha Environment Centre is an unlicensed facility. Renters are responsible for obtaining all necessary permits.

**** We are a nut-safe facility. Due to the large number of nut allergies, we prohibit any foods that contain nuts or traces of nuts. Please read all labels carefully and ensure that any foods that may contain nuts or traces of nuts are NOT brought to the centre.**

- **Date Changes/Cancellations:** A change in booking dates will be allowed with a **minimum of 4 weeks' notice** (to allow time for a replacement booking to be found). Otherwise, the deposit will be forfeited and a new deposit and booking contract will be required to book new dates. There is no refund for cancellations.

- **Invoice:**

Final payment is due in full within 10 business days of your visit. Please pay with one cheque. NSF (Non-Sufficient Fund) cheques are subject to a \$30 administration fee.

- **Cleaning:**

Renters are responsible for leaving facilities as clean as when they arrived, this includes cleaning all materials provided by the Environment Centre (i.e. mugs, spoons). Since all wastewater goes through the constructed wetland **ONLY** use bio-degradable cleaners provided by the Environment Centre. Additionally the Environment Centre does not receive curbside collection of garbage or recycling. Renters are required to remove any garbage accumulated over the course of their event from the Environment Centre.

- **Toilets:**

The Environment Centre features composting toilets which helps to conserve a great deal of water. It is worth noting to members of your group that visitors must sit to use the composting toilet as there is a closure and fan system specially designed to eliminate scent. Sitting on the toilet seat controls the opening and closing of the closure and the rotation of materials within the tank. Thank you.

- **Program Options:** (Ratio for Staff 15:1)

Initiative Tasks, Icebreakers and team building

Interpretive, Interactive hike through Trent Nature Areas

Informative Tour of the Sustainable, Innovative features of the Facility

A wide variety of custom programs designed to be age appropriate, educational and fun.

Available for children, youth and adults - ask us for more details.

Note: your group will be billed for any required cleaning, missing items, and/or damage caused to our facilities and/or equipment during your visit.
