

CANOE TRIP PACKING LIST

To Wear:

- Bathing Suit (2-piece recommended for girls)
- Shorts (Quick dry is best)
- T-shirt (Quick dry is best)
- Socks (Wool is best)
- Closed-toe "wet" running shoes or Keens (no crocs or sandals)
- Hat
- Water bottle
- Raincoat with hood
- Whistle

To Pack in Dry Sac:

- Sleeping bag
- Sweater
- Long-sleeve shirt
- Pants (NO jeans)
- Underwear (1 per day of trip)
- Socks
- "Dry" shoes (Closed toe)
- Toothbrush
- Flashlight

Things to leave behind:

- Pillows, towels and electronics
- Scented products such as deodorant
- Toothpaste, bug spray and sunscreen (the tripper will provide those!)

NOTES FOR PARENTS

Bathing suits

During the day there are often opportunities for campers to swim (especially after a long sweaty portage). Because of this, we recommend wearing bathing suits under clothes instead of underwear while canoeing. We recommend 2-piece bathing suits for girls as they are more comfortable and make it easier to use the washroom.

Dry Sacks

We encourage all campers staying for a two-week session or attending a Leadership, Pre-Leadership or tripping specific program (such as Junior Trip) to bring their own dry sacks. The sack should have a roll-top closure and should be large enough to fit all of the items specified in the "To Pack in The Dry Sack" section above (this includes sleeping bags). Inexpensive yet effective dry sacks can be purchased at Walmart or Canadian Tire.

Safety Essentials

Some of the items on our packing list are essential for ensuring the safety and comfort of our campers during their trip. These essentials include a whistle and a raincoat. Please ensure that your camper comes to camp with these items as we have a limited supply of extras to lend out.
