Monthly Giving That Makes a Difference All Year Long

Camp
Kawartha

Every Month. Every Season. Every Child.

For over a century, Camp Kawartha has inspired children and youth to develop confidence, resiliency, leadership, and a lifelong connection to the natural world. Today, as a multi-award-winning organization recognized for excellence in outdoor and environmental education, sustainability, and community impact, Camp Kawartha serves thousands of children, youth, families, and school groups each year through summer camp, outdoor education, environmental programs, and community initiatives. These experiences nurture hope, environmental stewardship, and a commitment to creating a more sustainable future.

Monthly donors help ensure that these transformative opportunities continue to inspire and empower future generations.

Why Monthly Giving Matters

Small monthly contributions create extraordinary impact. Whether giving \$10, \$25, \$50, \$100, or more each month, donors help Camp Kawartha do more than deliver programs - they help inspire confident leaders and environmental stewards. Through meaningful experiences in nature, children and youth develop resilience, leadership skills, a sense of belonging, and the confidence to make a positive difference in the world around them. While a monthly gift may seem modest, over time it creates lasting opportunities for children, families, schools, and a more sustainable future for all.

Your recurring gift helps:

- Provide camp bursaries for children who otherwise could not attend
- Support outdoor education programs for school groups throughout the year
- Maintain trails, forests, waterfronts, and learning spaces
- Develop leadership opportunities for youth
- Inspire environmental stewardship and sustainable action
- Respond to emerging needs and opportunities as they arise

Most importantly, monthly giving creates stability. It allows Camp Kawartha to focus less on fundraising and more on delivering life-changing experiences.

The Power of a Monthly Gift

Small monthly contributions add up to remarkable impact. Whether your gift is \$10, \$25, \$50, \$100 or more each month, you will be helping young people build confidence, develop leadership skills, and foster a lifelong appreciation for the natural world. A monthly gift may seem small, but over the course of a year it creates meaningful opportunities for children, youth, and schools throughout our community.

\$25 per month

Your gift can:

- Cover most of the cost of a day camp experience for a child.
- Provide outdoor education materials and nature-based learning resources for school and community programs.

\$50 per month

Your gift can:

- Help support the Transportation Access Fund subsidizing transportation costs for schools visiting Camp Kawartha for outdoor education programs.
- Support the maintenance of trails, forests, waterfront areas, and outdoor learning spaces used by thousands of students and campers each year.

\$100 per month

Your gift can:

- Contribute to Camp Kawartha's Financial Assistance Fund, helping ensure that no child is turned away because of financial circumstances.
- Support leadership development programs that help young people build confidence, resilience, and lifelong skills.

\$250 per month

Your gift can:

- Provide significant support for year-round environmental education programs serving schools across the region.
- Help Camp Kawartha invest in program innovation, equipment, and facility improvements that enhance the experience of every participant.

Every gift matters. Every month helps. Together, monthly donors provide dependable support that allows Camp Kawartha to serve children, schools, and families throughout the year.

Why Donors Choose Monthly Giving

Monthly giving is one of the most effective ways to support Camp Kawartha because it provides reliable, predictable funding throughout the year.

Your recurring support helps Camp Kawartha:

- Plan programs with confidence rather than relying on seasonal fundraising.
- Respond quickly to emerging needs and opportunities.
- Invest in long-term environmental stewardship and facility improvements.
- Expand financial assistance for campers and students who would otherwise be unable to participate.
- Reduce fundraising costs, allowing more dollars to be directed toward programs.
- Build a sustainable future for Camp Kawartha and the children we serve.
- Ensure schools can continue accessing outdoor education despite rising transportation costs.
- Support year-round programming, not just summer camp.

When you become a monthly donor, you are doing more than donating. You are helping to create a stable foundation that allows Camp Kawartha to become a global leader in inspiring environmental stewardship, personal growth and a lifelong connection to nature.

If your circumstances change, please know that your monthly gift can be cancelled at any time.
